Abstracts:

Flisser E, Luna M, Grunfeld L, Walls D, Copperman AB. Sharing oocytes does not limit the potential for achieving a biological sibling. *Fertil Steril* 2006;86(Suppl 2):S298. Accepted for poster presentation at the American Society of Reproductive Medicine Annual Meeting, 2006. New Orleans, Louisiana.

Flisser E, Licciardi F, Krey LC. The myth of the “clutch” donor. *Fertil Steril* 2006;86(Suppl 2):S183-4. Accepted for poster presentation at the American Society of Reproductive Medicine Annual Meeting, 2006. New Orleans, Louisiana.

Flisser E, Levine BA, Krey LC, Licciardi F. Depot leuprolide acetate does not adversely affect oocyte donor stimulation. *Fertil Steril* 2006;86(Suppl 2):S409. Accepted for poster presentation at the American Society of Reproductive Medicine Annual Meeting, 2006. New Orleans, Louisiana.

Conway DA, Flisser E, Krey LC, Licciardi FL. Influence of endometrial thickness (ET) less than 7 millimeters on donor oocyte recipient outcomes. *Fertil Steril* 2006;86(Suppl 2):S70. Accepted for oral presentation at the American Society of Reproductive Medicine Annual Meeting, 2006. New Orleans, Louisiana.

Adler A, DeJesus E, Flisser E, Berkeley A, Grifo J, Krey L. Day 5 versus Day 6 blastocyst cryopreservation. *Fertil Steril* 2006;86(Suppl 2):S257. Accepted for poster presentation at the American Society of Reproductive Medicine Annual Meeting, 2006. New Orleans, Louisiana.

Levine BA, Flisser E, Katz J, Levitz M, Noyes N, Krey LC, Grifo JA. Polycystic Ovarian Syndrome (PCOS) significantly alters follicular fluid molecular signature. *J Soc Gynecol Investig* 2006;13(Suppl 2):267A. Accepted for poster presentation at the Society of Gynecologic Investigation Annual Scientific Meeting, 2006. Quebec City, Canada.

Flisser E, Krey LC, Berkeley AS. Diminishing returns of increasing gonadotropins dosage in subsequent in vitro fertilization cycles? *Fertil Steril* 2005;84(Suppl 1):S325-6. Accepted for poster presentation at the conjoint American Society for Reproductive Medicine 61st Annual Meeting and Canadian Fertility and Andrology Society 51st Annual Meeting, 2005. Montreal, Canada.

Flisser E, Krey LC, Noyes N. Day 1 intracytoplasmic sperm injection – five years of “rescued” oocytes. *Fertil Steril* 2005;84(Suppl 1):S372. Accepted for poster presentation at the conjoint American Society for Reproductive Medicine 61st Annual Meeting and Canadian Fertility and Andrology Society 51st Annual Meeting, 2005. Montreal, Canada.

Keegan DA, Flisser E, Krey LC, Noyes N, Berkeley AS, Grifo J. Low rates of ectopic pregnancy after in vitro fertilization (IVF): Do practice habits matter? *Fertil Steril* 2005;84(Suppl 1):S130. Accepted for oral presentation at the conjoint American Society for Reproductive Medicine 61st Annual Meeting and Canadian Fertility and Andrology Society 51st Annual Meeting, 2005. Montreal, Canada.

Flisser E, Kump LM, Krey LC, Licciardi F. Donor age does not impact the success of oocyte donation cycles. *Fertil Steril* 82(Suppl 2);2004:S211. Accepted for poster presentation at the American Society for Reproductive Medicine 60th Annual Meeting, 2004. Philadelphia, Pennsylvania.

Noto RA, Flisser E, Wiederhorn MD, Mignone LI, Brosius DC, Breidbart S, Romano A, Moy F, Frey M. Home A_{1c} hemoglobin determination: a new tool for monitoring diabetic control. *Society for Pediatric Research*, January, 1995.
